Robert Wright

Dear Bob:

I don't know if you were aware of the substance of the article I am enclosing with this, from the Jewish Telegraphic Agency Daily News *Bulletin* of November 19, but if not I thought it was something you would find of interest. It described "truce talks" then taking place between representatives of Hamas and Arafat's Fatah movement, and reported that "Hamas was represented by Mousa Mohammed Abu Marzook, Deputy Head of its Political Department." I myself found that a rather revealing acknowledgment of the kind role that Marzook is playing these days.

With all good wishes,

Sincerely,

Michael C. Kotzin
Executive Vice President
