

Dear Gamal,

Your friends in the Chicago FBI Office, and you have many, would like to offer their congratulations to you on standing up to Bob Wright. Your legal action was long overdue.

You and your attorneys might want to consider adding Bill O'Reilly and FOX News to the suit. They were even more negative and biased in their reporting than ABC News.

The enclosed video tape contains copies of all of Wright's appearances on television, including FOX News and ABC News, dating to June of 2002.

Also, you might want to give Todd Lighty a call. He is a reporter with the Tribune in Chicago, who has been doing a lot of research on Wright. I'm sure he'd like to hear about your adventures with Wright. His telephone number is (312) 222-3528.

Good luck and keep up the fight!

Friends of Gamal
