## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 7/15/93

On July 6, 1993, at approximately 10:00 a.m., Special Agent (SA) ROBERT G. WRIGHT, JR., left the Jefferson City office of the FEDERAL BUREAU OF INVESTIGATION (FBI), which is located at 305 East McCarty Street. As SA WRIGHT exited the building and approached his parked vehicle in the basement garage, he observed an older model, off-white or cream colored automobile, driven by a white female, approximate age was late 40's early 50's. The car was also occupied by a white male with long dark hair (off the shoulders), mustache, approximate age early to mid-20's.

As the vehicle came off the entrance ramp, the passenger pointed out two unoccupied parking spaces to the driver. These two spaces were unmarked FBI parking spaces. SA WRIGHT advised the passenger that the parking spaces were private and reserved. The vehicle then left the parking garage.

SA WRIGHT assumed that the occupants of the vehicle were at 305 E. McCarty to visit a law office in the building. SA WRIGHT retrieved his briefcase from his vehicle and waited in the lobby of the building to see if they entered the building. After approximately five minutes, SA WRIGHT went back to the FBI office.
