SA Wright is cleared for take off to Chicago. He has made tangible contributions and his efforts have been much appreciated. Thank you for providing his assistance to us here at Doc Ex. He has been an invaluable member of the team. Per your request he would return to CG on Sept. 29 and report back to Doc Ex on Oct. 6, 03.

Sirs,

I am respectfully requesting that SA Robert G. Wright, Jr. be allowed to return to the Chicago Division for the week of September 29 - Oct. 3, 2003 for administrative purposes. Robert holds an extremely large [REDACTED] data base that is only accessible at this time to him. I am requesting that Bob return for one week in order to turn this data base over to the appropriate people so that the squad can access the valuable information during his absence.

Robert would be returning to DocEx on Oct. 6, 2003 in order to conclude his TDY.

Thank you for your consideration in this matter.

A/SSA [REDACTED]
