Mr. Robert Wright

Dear Mr. Wright:

Thanks very much for your letter of January 13 requesting a re-review of the John Robert's 60-page document you received from the U.S. Senate Committee on Finance. Unfortunately, all document review responsibilities were transferred from the old Research/Communications Unit in November 2002 with the creation of the Government Response/Prepublication Review Unit in Records Management Division.

As a matter of policy, I have been directed to forward the document and your request for a "policy and guidelines regarding employee public speech rights and obligations" review to Karl Bolthouse of the Government Response/Prepublication Review Unit for handling. I called him to let him know it was on its way.

Sincerely yours,

Patricia G. Solley
